Instructions and explanations concerning the application for travel support from IMPRS

IMPRS travel application is independent of the home institute's travel application which must be granted beforehand.

To get travel support from IMPRS, please fill out and sign our travel support application form, and send it to us (imprs-hd@mpia.de) **at least 2 months** before your trip. The supervisor must confirm by signature the relevance of the trip for the thesis research. Please also consider to apply for travel support from the HGSFP. Their webpage provides a link to a password-protected online application form. This direct link may work as well.

Approval of travel support

Travel support can only be granted in cases where the IMPRS rules have been followed (thesis committee meetings, curriculum requirements). IMPRS will inform you in time how much support you will receive from IMPRS. We expect a cost share between your home institute/ supervisor and IMPRS.

Advanced payments

Advanced payments are possible. Fill in the requested sum of advanced payment in the form. IMPRS will decide how much you will receive for your travel. Please give us your bank details for the payment (see travel support form).

Reimbursement

Your "Reisekostenabrechnung" (travel reimbursement) should go as usual via the persons or department of your home institute who is in charge of travel reimbursement.

For IMPRS students from MPIA:

Please note, when filling in the institute's application form, that the cost center should be that of the supervisor, i.e. NOT IMPRS.

Once the reimbursement is done, please hand in a copy of the "Reisekostennachweis" (receipt of the reimbursement) that you have received from the travel department so that we know about the actual costs of your travel. This information is required in order to arrange account transfer between the supervisor's and IMPRS' cost center.

For IMPRS students from ARI, ITA, HITS, MPIK, LSW:

Partial reimbursement: As your institute needs the original receipts for the reimbursement, you could either send IMPRS the copies of all the receipts as pdf file, or a copy of the "Reisekostennachweis" (receipt of the reimbursement) that you have received.

Full reimbursement: In this case, please send all your original receipts to IMPRS. Please give us your bank details for the payment (see travel support form). IMPRS will then transfer the remaining amount of the travel support to your bank account.

Please note: Stay reasonable with your travel request and try to save money whenever possible (share rooms, book early, book an inexpensive hotel, use public transport, etc.). Please also note that there are differences in the travel expenses claim (Landes- und Bundesreisekostengesetz) between Heidelberg University and the Max-Planck-Gesellschaft (MPG); For example, at the MPG reasons must be given for calling a taxi or TLS shuttle, whereas TLS will be reimbursed by the Heidelberg University.
